

TRAVEL OPTIONS FOR CONFERENCE & EVENTS DELEGATES

Queen Margaret University is located at Queen Margaret University Drive, Musselburgh, EH21 6UU.

In keeping with our long-term goals, we would encourage our delegates, where possible to travel to the QMU campus sustainably. Below are some options to assist with your planning:

Lothian Buses – www.lothianbuses.com

Lothian Buses services 4, 30 and 106 all terminate at QMU, while services 46 and 48 are available from Whitehill Farm Road, a short walk from campus. These services provide regular connections between the University and the city centre, Edinburgh Royal Infirmary, Musselburgh Town Centre, Dalkeith and Haddington

Scotrail – www.scotrail.com

Edinburgh Waverley – Musselburgh (North Berwick Line)

A direct train operates from Edinburgh Waverley to Musselburgh train station, with a journey time of 6 mins. Our campus is situated a 1min walk from Musselburgh Train Station.

Edinburgh Waverley – Newcraighall (Tweedbank Line)

A direct train operates from Edinburgh Waverley to Newcraighall Station, with a journey time of approx. 12 mins. There is then a short 15 min walk from the station to our campus.

Cycling

Cycling is a great way to get to QMU and the university is located within close proximity to the National Cycle Route 1 which connects the centre of Edinburgh and Route 76 which runs east through Prestonpans, Haddington and Dunbar. Edinburgh City Centre to QMU by bike is approx. 30mins. If you are able to cycle to your event, we offer the following facilities:

- Lockers, secure bike parking, showers and changing rooms, emergency maintenance kits

Go E-bikes – www.goebike.uk/

Go E-bikes are available in East Lothian and Mid-Lothian and offer a mini network of cycle stations.

QMU by Foot

Our campus is approximately a 20min walk from central Musselburgh and a 20min walk from Fort Kinnaird, along the National Cycle Network Route.

www.gojauntly.com is an app that contains a library of pre-determined walking routes for you to follow, complete with pictures.

Car Sharing

If you are travelling to our campus by car, please consider car sharing with a colleague who is also attending the event.
