

SCCAN 'on demand' training fees

We run a regular programme of training courses for our members. We can also arrange 'on demand', or more bespoke, training for particular groups or organisations, often in collaboration with other training providers.

Costs may vary with different training packages but, as a guide, this table indicates our usual prices for running such training, excluding any expenses for travel and accommodation.

FULL PRICE	Half Day	Full Day	2 Days
1 Facilitator	£400	£700	£1,100
2 Facilitators	£650	£1,000	£1,800

Where possible, we encourage those seeking such training to write this into funding applications but recognise that some groups have a strong need for training but little ability to pay. We are therefore happy to discuss discounts, based on annual turnover -see below.

Indicative Discounts:

Annual turnover

- > £150K revenue = full price
- > £70K revenue = 20% discount
- > £40K revenue = 40% discount
- > £25K revenue = 60% discount
- < £25K revenue = email us
